

WELCOME LETTER

From Natalie Calvano
Owner/Artistic Director

Welcome new and returning students to our exciting dance season!
We are happy to have you a part of our 26th year.

Mark your calendars for our Nutcracker Auditions Wednesday,
August 25th 5:00pm-7:00pm. Fall Classes begin Tuesday, September
7th. ***Our deadline for fall registration is Wednesday August
19th, after that, registration will be closed. Class size is limited.***

As you may know, our 2020 Nutcracker season looked very different with a streamed performance. We are looking forward to our “normal” Nutcracker performance season for 2021 with audience members. We have our Nutcracker dress rehearsals & performances scheduled, and will keep everyone up to date if mandates occur. Depending on audition numbers this season, we will determine if we will hold a full length production or start with Snow Queen and continue all of Act II as we would do for school performances. ***Great News!*** I have commissioned Jennifer O’Kelley of Muse Scenic Studios to create new backdrops (Snow & Land of the Sweets) for our Nutcracker production, and we can’t wait to see them on stage. Our party scene drop & growing Christmas tree are on hold due to budgetary constraints, but is planned for fall 2022. The colors of our new drops will be very bright and lively in comparison to our older backdrops, and will be completely new designs.

Due to COVID-19 (Delta Variant), BPAC will follow CDC guidelines, and continue to keep our students and staff safe. We are enrolling students in regular classes this season. If you desire a private, or shared privates or pods (2-6 dancers) this season, please let us know ASAP. We saw so much improvement through private instruction during the 2020 season. Please read our information and regarding our new policies regarding COVID-19. As you may know, BPAC has not had a tuition increase in the past three years. As a result of the pandemic and increased costs, we have a small tuition increase this season. Thank you for your understanding, and as always, we value our BPAC families and continue to provide the most unparalleled instruction and performance opportunities to our students.

Our BPAC 2021-2022 calendar helps you to keep track of upcoming events: holiday breaks, special dates and much more.

The Ballet & Performing Arts Centre has a very specific dress code to ensure uniformity in our classes. This uniformity is paramount to teaching ballet etiquette, instilling personal discipline, while enhancing the dance aesthetic. The faculty and staff of the BPAC have chosen items that can and will be used in upcoming studio showings, photo and video opportunities and press coverage. All students are required to adhere to the Dress Code. Students cannot be permitted in class unless they are dressed in their class leotard, tights and shoes, no jewelry, and for girl’s hair secured neatly in a bun.

I am very eager to begin the 2021-2022 school season, creating positive memories, rehearsing great performances and participating and sharing in many community arts opportunities for all our BPAC families.

My Personal Best,

Natalie Calvano

STUDIO RULES

1. All students must wear their hair in a bun & wear Bloch, salmon tights. Please see **DRESS CODE**. **Absolutely no street clothes may be worn! Ballet students please remember, Bloch, salmon tights only.** Students that do not have their dance wear or shoes will be asked to watch. Students are also learning responsibility through dance.
2. We are still following our guidelines from 2020. Only students may enter the studio. If you or a dancer's sibling needs to use the restroom please do so quietly. If you enter a studio to do so, please remove street shoes before entering. Dancers will enter the main lobby door, and pick up will be at the studio C door.
3. NO CELL PHONES ARE ALLOWED IN CLASS! Students must keep cell phones in dance bags and Iwatches must not be able to receive calls or texts during class.
4. If you are paying tuition monthly, it is due by the 7th of each month. **Any tuition received after the 7th will receive a \$20 late fee. After the 7th we will not accept any payments that do not include the \$20 late fee.** Prorated June tuition is invoiced and due with May tuition.
5. Costume fees and stage fees will have their own "due date" that will be announced later in the year. **Costume fees and stage fees that are not paid by the due date will also receive a \$25 late fee.**
6. **If you are paying by the trimester, it is due by the 7th of the month.** You will receive 5% off if paying by the trimester. If you do not pay by the 7th, then you will not receive the 5% discount. If you choose, you may keep your credit card on file and we will debit monthly. ALL PAYMENTS MUST BE MADE ONLINE. We accept Visa, Master Card, American Express and Discover.
7. **Please be sure that your child is picked up on time.** Please note that BPAC policy is that students may be dropped off 15-30 minutes early (ages 10 & up). Students may wait in the lobby or stretch quietly in the waiting area if other classes are being held. We know the hustle and bustle of every day life, getting children from point A to point B can be challenging. Please be sure that your child is picked up on time. **We have many teachers who travel long distances and need to get home to their families and children especially if it is the last class of the day.** Please be respectful of others' time as they may have commitments after class. Late pick up charges are as follows: **For the last class of the evening, a late fee of \$1.00 for each minute that the child remains at BPAC with the instructor.**
8. If you need to speak to Natalie directly, please call 336-923-2585. You may leave a message if there is no answer as we will check messages regularly. **We communicate primarily by email, so please check your email daily.**
9. **Please don't walk on the dance floors with street shoes.** Street shoes have been very many places and carry germs. We are cleaning our dance floors daily, and don't want our dancers to be exposed to any germs.
10. Rehearsals are mandatory for every student performing in our productions. Students missing ten rehearsals or classes will not be able to perform unless private lessons are taken. Once costumes have been ordered, you will be responsible for purchasing them.
11. **All fees must be paid before performance time including tuition, costume, stage fees and privates in order to perform. ABSOLUTELY NO EXCEPTIONS!**
12. **Please arrive promptly for class, as it is disruptive to others when entering late.**

I HAVE READ THE INFORMATION ABOVE AND AGREE TO ABIDE BY THE STUDIO RULES.

Therefore, we need everyone's help in fundraising. Instead of requiring extensive fundraising as we have done in the past, we will require each performer to provide a sponsorship fee. You may pay the sponsorship fee or you may recruit others to be your sponsors. Sponsors names' will be listed in the program under their level of sponsorship. Sponsorship fees are \$25 for preschool students, \$50 for Level IV, \$75 for Level III and II, and \$100 for Level I/IA, and Company. SCHOLARSHIPS: The Ballet & Performing Arts Centre honors those students who excel in dance by awarding both an annual scholarship as well as summer scholarships, when deemed appropriate. Costumes: Why are some costumes rented and some bought?

In some cases, like the Nutcracker, we are consistently adding to our wardrobe of costumes. We are able rent them for use each season, In situations such as the spring shows, where pieces change yearly we can only rent costumes that are specific to the performance, so most costumes will be purchased by parents.

How much do rented and bought costumes cost?

Prices for rented costumes can be found on the costuming page of the parents guide. Renting costumes also require a \$50 check (per costume) or credit card number that is returned to you once the costumes are found in good condition. Purchased costumes vary based on the specific costume, but generally cost \$65-\$125 (depending on level) and are yours to keep after the show.

VOLUNTEERING

As with any major production, there are many little duties that need attending for our performance to be successful. (And we need to start thinking about them right away!)

We need volunteers to help with everything from handing out programs, costume alterations and backstage. If you would like to be involved with the behind the scenes action, please fill out the following check list.

<p>PROGRAMS: _____</p>	<p>We need two adults or teenagers to stand at the entrance of the theatre to hand out programs. For school shows we will need ushers as well.</p>
<p>SIDE DOOR ATTENDANT: _____</p>	<p>This is a very important job, and no one is allowed to enter and exit through this door, especially during the performances. We can not keep track of who has a ticket and who does not through this door. WHEN THE DOOR WAS USED IN THE PAST, IT SLAMS AND DISTRACTS DANCERS. IF YOUR CHILD HAS A QUICK CHANGE, YOU NEED TO BE BACKSTAGE..</p>
<p>BACKSTAGE _____</p>	<p>We need 2-3 adults backstage per show per group to help with costume changes, organizing, and applying make-up. We would like to use different parents each show so that everyone has the opportunity to see the show from the audience. We will also need parents for school show costume changes.</p>
<p>COSTUMING _____</p>	<p>Although we have most costumes already, every year we need people who can alter or mend them. Whoever volunteers for this position, can also double as one of the backstage helpers.</p>
<p>CLEAN UP _____</p>	<p>These duties have been overlooked in the past. Please be sure to collect bobby pins, bring props backstage and anything else that should be thrown away such as trash.</p>
<p>MERCHANDISE AND FLOWER SALES _____</p>	<p>We will sell Nutcracker merchandise and flowers at each performance. We need 3-4 people to work at these tables and help customers wanting merchandise and flowers. This will entail organizing the items, setting up the area, and maintaining the tables.</p>

FREQUENTLY ASKED QUESTIONS: COMPETITION TEAM

The Ballet & Performing Arts Centre has a reputation for exceptional performers and creating technically sound dancers. We are dedicated to nurturing a team as well as boosting individual dancers to their highest potential. All Competition team dancers must audition each year. Each dancer is required to sign a contract that binds them for the full season to ensure that all team members are dedicated and fully committed to the studio. The information below may answer a few questions concerning the competitive team.

When are auditions?

Auditions are held in the Spring. **Students must be present for the audition/workshop in order to be cast.**

Is there anyway to prepare my dancer for auditions?

If you have questions about auditions please let us know. If you feel you that you would like to work on technique individually, you can schedule a private.

How many hours can we expect our dancer to be involved?

It varies depending on what level you make and how many dances you are in. Some of our dancers have one extra rehearsal per week and some have 3-4.

What is the Competition Registration Fee?

The Competition Registration fee is to help off set the costs for props, additional items needed for the competition & teacher time & travel.

How many competitions do the dancers attend per year?

Approximately 2-3 mandatory competitions. Younger groups may have 2.

What classes will my dancer take?

Dancers participating in the competition teams are required to take ballet, jazz & tap & dance for at least 4 hours a week depending on level. Competition students are encouraged to take 2 ballet classes, pointe (if old enough). **Nutcracker & Competition students must take 25 hours at BPAC in the summer months.**

Who can do solos?

You must audition to perform a solo, and it is up to the director and teachers.

Why should I put my dancer at BPAC?

BPAC is a well-rounded training facility that will not only push your child to the best of their ability, but also encourage team unity amongst the dancers. Our students and staff communicate closely with one another and that trust and respect reflects on stage and in classes. We take what we do very seriously and it is a continuous process, in and out of the classroom. Our true job is helping each dancer to become kind, loving, respectable adults and promote success in all avenues of life.

Will all Competition Pieces perform in the Spring show?

Yes.

PARENT/DANCER CONTRACT: PLEASE READ IN THE ENTIRETY AND SIGN BEFORE YOU REGISTER. NO ONE WILL BE ABLE TO ATTEND CLASS WITHOUT CONTRACT BEING SIGNED BY PARENT AND DANCER.

This is a contract between the dancers, parents and the teachers so that every parent and student knows what is expected of this year. In signing this contract you have read the rules and understand that you will be held accountable if you do not follow through with your commitment.

Required Classes - All Nutcracker & competition team members are required to take ballet, pointe and two additional genres and dance for at least 4 hours a week depending on level. We strongly suggest two ballet technique classes for Levels II, I & Company. These classes count towards your attendance record (see below). Competition team members are also required to take 25 hours of dance at BPAC in the summer. Nutcracker dancers who desire lead roles must take 25 hours at BPAC in the summer

Attendance Policy - All Nutcracker & competition team members can miss no more that ten (10) total rehearsals and classes throughout the 2021-2022 dance season. (For example, if you miss a Wednesday and miss your ballet class, pointe class, and a competition rehearsal this counts as three absences.) If you miss more than ten total rehearsals and classes you will be removed from the competition team. If your absence is an excused absence (illness, school event, family vacation, family emergency) and you inform your teacher of your absence before your class starts, you can come to a make up class to have the absence removed from your record. If your absence is an unexcused absence (social event, hair appointment, missing without notifying the teacher, etc) it cannot be removed from your record.

HARASSMENT/INTIMIDATION/BULLYING

BPAC strives to maintain an environment which is healthy, safe and nurturing; one in which students are free from any form of harassment, intimidation and/or bullying. Harassment, intimidation and/or bullying of any type will not be tolerated at the Centre or at any BPAC related activity. Students must realize that any type of harassment, intimidation and/or bullying, whether physical, verbal, sexual or general in nature is strictly against BPAC's policy. Students who feel they are the target of harassment, intimidation and/or bullying must report the incident to a BPAC instructor. Students accused of harassment, intimidation and/or bullying may face BPAC disciplinary action.

DISCIPLINARY ACTION

Students are expected to act in a respectful manner while at the Academy or any related BPAC activity. Students responsible for disorderly conduct, violating any school policy, disruption of class, or violating any of the classroom teacher's rules, will be subject to the following:

Warning: The student will receive a warning.

1st offense: The student/parent will receive a written notice.

2nd offense: The student/parent will meet with the instructor and director. The student may be removed from the class; parents will not receive a refund for this class.

3rd offense: The student will be expelled from the program; parents will not receive a refund for the school year.

Depending on the severity of the offense, BPAC leadership reserves the right to dismiss a student from the program at any time during the school year.

- Respect of the studio and its teachers - If anyone is heard speaking badly about dancers, the studio and/or the teachers they will be dismissed. All BPAC dancers need to support each other. BPAC **RULES**- We cannot tell you enough how much being positive & being a team player changes a class or rehearsal. If you are at a rehearsal or class, please support your fellow classmates. You all train together. Love each other! .

COMPETITION CONTRACT

PLEASE READ IN THE ENTIRETY AND SIGN BEFORE YOU AUDITION. NO ONE WILL BE ABLE TO AUDITION WITHOUT IT SIGNED BY PARENT AND DANCER.

This is a contract between the dancers, parents and the teachers so that every parent and student knows what is expected of this year. In signing this contract you have read the rules and understand that you will be held accountable if you do not follow through with your commitment.

Required Classes - All competition team members are required to take ballet, jazz, tap and dance for at least 4 hours a week depending on level. We strongly suggest two ballet technique classes for Levels II, I & Company. These classes count towards your attendance record (see below). Competition team members are also required to take 25 hours of dance at BPAC in the summer.

Attendance Policy - All competition team members can miss no more than ten (10) total rehearsals and classes throughout the 2020-2021 dance season (September-May). (For example, if you miss a Wednesday and miss your ballet class, pointe class, and a competition rehearsal this counts as three absences.) If you miss more than ten total rehearsals and classes you will be removed from the competition team. If your absence is an excused absence (illness, school event, family vacation, family emergency) and you inform your teacher of your absence before your class starts, you can come to a make up class to have the absence removed from your record. If your absence is an unexcused absence (social event, hair appointment, missing without notifying the teacher, etc) it cannot be removed from your record.

Required Rehearsal Time - All competition pieces will meet to rehearse for at least 3-4 hours a month. This could mean a 45 minute - 1 hour rehearsal every week, 1.5 hours every other week, or some other rehearsal schedule determined by student and teacher availability to reach a minimum of 3 hours per month.

We are ONE competition Team - BPAC Competition Dancers - What this means is that all competitive dancers are a part of the BPAC Competition Team. When you audition, the instructors will determine how many pieces we are taking to the competitions and will determine the casting of those pieces. You could be cast in one piece or more; this could be groups, solos, duets, trios, quartets etc. Your audition & dedication determines casting and quantity of routines. Groups are 7 or more dancers. Shared privates are 6 dancers or less. ***YEARLY COMPETITION FEE: The yearly Competition fee is \$100 and is to help off set the costs for props, additional items needed for the competition & teacher time & travel.***

Routines - This is a competition team. The routines will be created to earn the highest score possible. If your child does not receive a "special role," please be their parent and love them and encourage them for the next opportunity. In life there are many highs and lows and they are going to need your support. There will be no special meetings about how parents or dancers feel about the choreography. The dance is left up to the teacher entirely. Keep in mind there is a lot of thought and planning that goes into creating a dance. We need 100% from everyone all the time to create an amazing routine.

COMPETITION ENTRY FEES: Local, State and Regional Competitions: Group Entry Fee (per person) = \$65-\$90 Solo Entry Fee = \$85-\$130 Duet/ Trio Entry Fee (per person) = \$65-\$85 (Competition schedule fees are subject to change). ***COMPETITION REGISTRATION FEE: The Competition Registration fee is \$25 and is to help off set the costs for props, additional items needed for the competition & teacher time & travel. There is a \$75 cancellation fee if a student drops out after competition has been cast.***

COMPETITION JACKETS/WARM-UPS: BPAC Competition members will have the option to purchase competition jackets/warm-up suits in the Fall.

COSTUME FEE: Costumes for competitions are purchased. Prices for purchased costumes vary based on the specific costume, but generally cost \$85-\$140 (depending on level) and are yours to keep after the competitions/ performances. ***COSTUME DEPOSIT: A costume deposit of \$30 per costume is due on September 7th for the Competition pieces.*** Costume balances will be due upon costume arrival.

PLEASE READ IN THE ENTIRETY AND SIGN BEFORE YOU AUDITION. NO ONE WILL BE ABLE TO AUDITION WITHOUT IT SIGNED BY PARENT AND DANCER.

Attitude - is a very important part of any class. We will not tolerate any form of disrespect. All dancers need to learn discipline and respect. We're a team and respect=respect.

• If a dancer says one time at a competition that they do not want to go on stage whether it be for a solo, duet, trio or group number, they will automatically be removed from that dance.

• Respect of the studio and its teachers - If anyone is heard speaking badly about dancers, the studio and/or the teachers they will be dismissed. All competition members need to support each other. **COMPETITION RULES-** We cannot tell you enough how much audience support changes a routine. If you are at a competition and someone from our studio is dancing, please support them. Congratulate them after performing. Try not to walk away when someone from our studio is dancing. If you hear their music run in to support them! Never come off stage crying unless you are hurt. It doesn't send a good message. At awards, be happy for your fellow dancers. You all train together. Love each other! Whatever time we ask you to be at competition, please be there dressed and ready or we will dance without you should the competition be running early.

• We truly do want the best for all of the dancers, and we're looking forward to another great season!

I, _____, parent of _____ understand the rules and obligations of being a BPAC competition member. I will make every effort to abide by these rules and support the studio with the utmost respect.
